To release the Trimble Field Points network license from one workstation so another can use it,

Open AutoCAD/Revit,

Open or start a drawing.

Tap on the Trimble Field Points tab

Click on the drop-down arrow beside Setup

Trimble® Field P	oints	0 •					
lace Annotations Annotations R	E Reports	 Import Points Edit Points File 	Trimble® Field Link 2.2 or later	Trimble Connect Sign in/out	 Download Files Upload Files Open Trimble Connect 	settings	🧭 Н 🕜 АІ
ons 🛨 🛛 R	Reports	Imports	Exports	Tri	mble Connect	Setup 👻	He

Then click on License Manager

It will open the License Manager dialog box

	License Manager
